This day I will marry my friend,
the one I laugh with,
live for, dream with,
love.

"When I saw you
I fell in Love
and you smiled
because you knew
-Arrigo Bracco

Two souls and one thought...two hearts and one pulse.

A romantic couple embracing in a sunlit field. The woman, with long blonde hair and wearing a purple top and a pearl necklace, has her eyes closed and is gently holding the man's face. The man is seen from the side, his face close to hers. The background is a soft-focus field of green and yellow plants, bathed in warm, golden light. The overall mood is intimate and tender.

"In you I have found
the love of my life
and my closest,
truest friend"

YOUR PHOTOGRAPHER

Congratulations on your engagement! I'm excited you are considering me to be a part of this exciting time in your life. Together we will capture your true essence as a couple allowing your love to shine. I take pride in making this day memorable. I truly enjoy the reward of getting to know both of you and photographing you in settings that speak your style. It's an art and I look forward to being creative with you.

I am married and the mother of two daughters. Besides photography, I enjoy the outdoors, traveling, golf and spending time with family. I am a multi-award winning photographer with over 20 years of experience. My love of photography all started when my husband gave me a camera for my birthday. I left my 20 year career as a Registered Nurse and began my passion to tell stories with images. My creativity is fueled by you as my inspiration.

Alongside her Master of Photography Degree, Lori has been recognized with countless national, state and local awards. A few notable mentions include:

- Wisconsin Photographer of the Year
- Kodak Gallery Award
- Best of Shows
- Top 10 Imager Award
- Court of Honor
